

NORTH SHORE
Environmental Consultants

March 22, 2013

Clearflow Enviro Systems Group Inc.

140 – 134 Pembina Road

Sherwood park, AB

T8H 0M2

Attention: Jerry Hannah

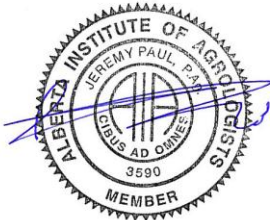

North Shore has used Clearflow's water and soil treatment products on several projects. Some of these projects were on sensitive sites, and had provincial and federal regulator involvement. The projects were successful, and all stakeholder and clients were impressed with the outcome.

If you have any questions please contact Jeremy Paul at (780) 467-3354 ext.107.

Sincerely,

North Shore Environmental Consultants Inc.
