Dear Jerry,

I am pleased to extend congratulations on your award from the Sherwood Park & District Chamber of Commerce. As the MLA for Strathcona, I am very proud when Strathcona businesses excel and was pleased to be present at the Chamber Award night to witness your achievement.

It is indeed an honour to have your business, Clear Flow Enviro Systems Group Inc., selected by your business peers for recognition in the Environmental Protection & Occupational Safety category. Strathcona County is very fortunate to have great business owners and staff who live, work and support our community.

Thank you again for doing your part to help make Strathcona County a great place.

Sincerely,

Dave Quest, MLA
Strathcona

Congratulations Jerry!
